CHIDON OVERVIEW

### Welcome to the Chidon

Dear Chayol,

Welcome to the International Chidon Sefer Hamitzvos 5784!

Being part of the Chidon is a big commitment. You will need a strong drive and lots of self-discipline. The fact that you have signed up for this journey shows how much you care for Hashem's Torah and how determined you are to gain a better understanding of His Mitzvos.

Passing any of the 4 tracks takes hard work, diligence, and an attitude of יְנֵעְהִי וּמַצָאתִי תַּאַמִין – I will try hard and I will succeed!

When you learn with an inner Chayus, you will feel the deep pleasure and satisfaction that comes from toiling in Torah.

The tremendous amount of knowledge you will acquire through this program will be a lifelong reward that no one can ever take away.

This will, bez"H, leave you with a lasting geshmak in learning Rambam and in learning in general, and will hasten the coming of Moshiach and the time when we will be able to actually fulfill all 613 Mitzvos of the Torah! May it be immediately, now!

We are proud of your commitment and wish you much Hatzlocha in this endeavor!

Tzivos Hashem Headquarters

Dear Parents.

Welcome to the International Chidon Sefer Hamitzvos 5784!

Chidon is a big commitment. Over the next few months, your child will need to devote much of their free time to studying.

Parental support is the most powerful factor in a child's motivation and success.

Passion is contagious. Parents who are passionate about learning the Mitzvos, and who display a personal interest in their children's learning, will find that their Chayus rubs off on the children and infuses them with the lasting passion and personal interest for learning the Mitzvos.

The best way to express your support is by being personally involved in your child's learning and progress.

If your time is limited, we suggest that you at least go through the units with your child the first time they learn them. Arrange for your child to review with a friend or other family members. This way you can be sure that your child properly understands the information.

The following list is a description of what a Chidon trainer should ideally look like. If you're not able to take on this job to its maximum, do the best you can:

- Be passionate about the Mitzvos (not just the Chidon program)
- Be passionate that your child knows the Mitzvos
- Fully understand what your child is required to know
- Guide your children on how to learn
- Personally, learn with your children and know the book thoroughly. If you
  can't learn with them, at least listen to what your child is learning and ask
  them questions
- Show interest in your child's questions on the material
- Ask your Chidon Coordinator any questions your child may have
- Make sure your child is keeping up with the study schedule
- Constantly motivating them and praising them for the amazing job they are doing

Your child can do it with your help! We wish you much continued Nachas from your children.

When Moshiach comes, these children will be the ones that will teach us how to keep the 613 Mitzvos.

IYH we will have the Zechus to watch them lead Klal Yisroel out of Golus very soon!

Tzivos Hashem Headquarters

## The History of the Chidon

#### LIMUD HARAMBAM

In 1984 (תשד"מ), the Rebbe instituted the Takona of Limud Harambam—that every man, woman, and child learn Rambam daily. Three cycles were established: Learn three Perakim a day over the course of one year, learn one Perek a day over the course of three years, or learn the Mitzvos in Sefer Hamitzvos, which correspond to the three-Perakim cycle. Through these cycles, a person would learn all 613 Mitzvos — כָּל הַתוֹרָה כוּלָה.

#### INTERNATIONAL CHIDON

In 1995 (תשנ"ה) a group of principals joined with Tzivos Hashem to start the Chidon. The goal of the Chidon is to give every Chayol the tools and motivation they need to fulfill the Rebbe's Takona, by encouraging them to learn Sefer Hamitzvos in depth.

As the Chidon expanded and more schools joined, the program began following the Living Lessons Yahadus curriculum, sponsored in loving memory of Mrs. Sara Rohr, Aleha Hashalom.

The curriculum divides the 613 Mitzvos into five books, with children in grades four through eight learning one book per year.

Below is a chart that outlines which mitzvos each grade will be learning over the year, and which Yahadus book they will be using to study.

At the end of five years, you will have covered all 613 Mitzvos – כָל הַתוֹרָה כּוּלָה.

GRADE	YAHADUS BOOK	MITZVOS
4	1	1-86
5	2	87-231
6	3	232-376
7	4	377-498
8	5	499-613

The Details - Addition for Yediah, Havonah & Iyun tracks:		

All of the **details** in the Details section

## The Mitzvah Boxes

You do not need to know the names of Mitzvos by heart, you do need to be familiar & recognize them as all tests and quizzes will refer to the names of the Mitzvos in Hebrew & are not translated.

This also applies if two or more Mitzvos are grouped together in one Mitzvah box.

Some Mitzvos don't have the Hebrew name in the Yahadus Book, book changes later on in this Study Guide where the Mitzvah names have been added.

#### TRANSLATION OF MITZVAH NAMES

You are required to know the English translation of the Mitzvah names—the words directly beneath the name in Hebrew.

This also applies if two or more Mitzvos are grouped together in one Mitzvah Box.

Some Mitzvos don't have the translation in the Yahadus Book, see the book changes later on in this Study Guide where the translations have been added.

#### **ICONS**

You need to be very familiar with the icons (The circles at the bottom or side of the Mitzvah Boxes) as there will be many questions which ask on the icons.

You need to train yourself to identify the icons of each Mitzvah individually.

(As you're studying, try asking yourself questions about the who, where, when and punishment.)

### Addition For Yediah, Havonah & Iyun Tracks -The Details

You are required to know all the information in the details section of each unit.

Pay special attention to which details apply to which Mitzvah, because Mitzvos are grouped together in some units, making it hard to identify which details are for which Mitzvah.

#### **RELEVANT TERMS IN HEBREW**

You must know all Hebrew terms and concepts that appear in the sections of the book that you are responsible for. To help with translations, we have put together a glossary of Hebrew terms in your book, found in this Study Guide on page 26.

However, the glossary does not list all the words that you are responsible for knowing. It is your responsibility to make sure you know and understand all Hebrew terms and concepts—including those not listed in the glossary.

### SELECTED HALACHOS; WHAT ELSE COMES FROM THIS MITZVAH?

Even though you are not responsible for these sections, it is strongly recommended that you learn them, as they contain many practical halachos that give a better understanding of the Mitzvah.

### How Much Time is Needed to Learn

### SCHEDULE: KEEP UP WITH THE SCHEDULE

On page 30 in this Study Guide you will see a schedule of which units to learn each day.

The amount of time needed to study for the each of the 3 tests & final based on your track					
	1 Yesod 2 Yediah 3 Havonah 4 Iyun				
Daily Study Time	10 Minutes	20 Minutes	30 Minutes	45 Minutes	
Total Study Time per Test/Final (Over Approx 37 days)	6 Hours	12.25 Hours	18.5 Hours	27.75 Hours	
Total Learning Hours This Year (Over 140 days)	23.25 Hours	46.5 Hours	70 Hours	105 Hours	

- Join a learning group or get a study partner. This can be a friend, an older sibling, a parent, grandparent or counselor.
- Have fixed times when you will learn each day.
- keep track of your Limmud by logging your learning each day when entering your missions on your parents account.

Study Guide

## How to Study

### BEFORE YOU START A UNIT, LOOK INTO THIS STUDY GUIDE SO YOU ARE AWARE OF:

- 1. Book Changes: If there are any changes in that unit, write them directly into your book in the correct place. Idea: If it's a long change, print the page from the study guide PDF (from TheChidon.com), cut out the change and paste into the book.
- 2. Not responsible: If there is a section of the details that you are not responsible to know, note it in the book by that section.

## How to study to be a Yesod Finalist

### LEARNING THE MITZVAH BOXES SO YOU KNOW THEM ON A BASIC LEVEL.

- Say each word out loud.
- Fill out the icons on the accompanying spreadsheets below on page 40.
- This is the time to ask for the meaning of any word or term you do not understand.
- (Some people prefer to first read all of the units on that test, before moving on to the learning stage; others prefer to read one unit and immediately move on to the learning stage for that unit).

## How to study to be a Yediah Finalist

### KNOWING THE INFORMATION IN THE MITZVAH BOXES AND THE DETAILS SECTIONS.

- Say each word out loud.
- Fill out the icons on the accompanying spreadsheets below on page 40.
- This is the time to ask for the meaning of any word or term you do not understand.
- (Some people prefer to first read all of the units on that test, before moving on to the learning stage; others prefer to read one unit and immediately move on to the learning stage for that unit).

## How to study to be a Havonah Finalist

### LEARN THE MITZVAH BOXES & DETAILS SECTION TO COMPREHEND AND THOROUGHLY UNDERSTAND IT.

- After learning as described above for the Yesod & Yediah tracks, read each unit's details section, paragraph by paragraph. There are many details that can be packed into a single paragraph, or even a single sentence. By learning one paragraph at a time we can ensure that we do not miss out on any details.
- Say each word of the paragraph out loud.
- Memorize by category. Example: all Mitzvos that apply to Beis Din. *Tip: If* you know the amounts, it will help you not miss any.
- Have someone else hold the book and listen as you say the paragraph in your own words, informing you afterwards of what you might have missed.
- Note: This is a very good way to do group learning. One student should read the paragraph, another should say it over in his/her own words, and a third student should say what details the second student missed. Bez"H this will train all of you in the group to focus on the details, and will give you all a sense of what good studying means.
- If you are doing this yourself, cover it with your hand and say it in your own words. Don't summarize say every detail. Make sure you break down the paragraph or sentence, and say each detail individually.
- When done, remove your hand from the paragraph, and skim the text with your eyes to see if you missed anything.
- Stop by words that show Comparisons, Connections, and Differences.
- Say these things in full, not just the words it says in the book.
- Example: In book 4 unit 205, it states that all the Melachos that would disqualify a cow from being used for a Parah Adumah would disqualify a calf from being used for an Eglah Arufah. It is not enough to just say those words. You should say those words and then add: A Parah Adumah and Eglah Arufah both have X, Y, and Z.
- Say the number and the things in short. Only after listing them, say them in detail.

Example: In book 2 unit 80, it lists eight kinds of injuries that make an animal a Treifah. Say them as follows: 1) Drussah 2) Nekuvah 3) Chaseirah etc.

Then explain: 1) Drussah is ..... 2) Nekuvah is ..... 3) Chaseirah is .....etc. Note: there are times that items or rules are listed but without numbering them or even mentioning the amount. It's a good idea to count them, and learn them as if it was written with the number.

- After going through each paragraph, go over the whole unit inside again, in one sitting to really make sure that you got it.
- Do not move on if you do not understand something. If you have trouble remembering a certain section, you can either sit on it until you know it well or you can mark down that section and get back to it in the review stage.

Study Guide

## How to study to be an Iyun Finalist

### REVIEW THE INFORMATION SO WELL THAT YOU CAN **APPLY IT TO OTHER** UNITS ON THE TEST

The questions that will be asked on the Iyun track and on stage are "thinking" questions, and require you to analyze and apply the information you've learned to new situations that aren't directly discussed in the book. This may be different from what you are used to, so it is important that you prepare properly. Many questions will involve information about multiple Mitzvos or even multiple units.

To prepare, it is strongly recommended:

- To make sure that you first properly prepare for the Yesod, Yediah & Havonah tracks.
- That you train yourself to see similarities in Mitzvos and Halachos, and make lists grouping similar mitzvos or Halachos together (for example: which Mitzvos have the punishment of Malkus, apply only in Eretz Yisroel, are about Avoda Zora, etc.).
- Try to find situations where a person fulfills (or transgresses) more than one Mitzvah.
- Remember that the details you are reviewing are part of a bigger picture, and are not just isolated facts.
- Train yourself to memorize, by having someone to drill and test you.
   Example:
  - In book 1 unit 38, it lists ten rules that must be followed when Tefillin are made, which were taught to Moshe Rabbeinu at Har Sinai and passed down to us through the Torah Sheba'al Peh. One of these rules is that the Tefillin straps must be black. When memorizing this rule, make sure you memorize it as one of the ten rules mentioned above; not merely as an isolated fact, that the Tefillin straps must be black.
- Some ideas to help Memorize & remember difficult details:
  - Highlight those details in the book.
  - Write them on a post-it note and stick it in that section in the book.
  - Write your own notes of that section of the unit.
  - Write those details into questions and answers to help you remember them.
  - Turn those Q&As into flashcards or games.

In general, this includes three types of questions.

1. Questions on multiple Mitzvos or Halachos

### Examples:

- a. How many Mitzvos has one fulfilled (or transgressed) for doing suchand-such an action?
- b. For which of the following would one not receive Malkus?
- 2. Multiple-choice questions

All of the possible answers listed are from different units throughout the Yahadus book. You'll have to think about each answer and decide which one applies to the question being asked. Try it out, and see if you can get the right answer!

Below the question, you'll see a list of units that explains where each possible answer came from. Use this as a tool when you're checking your answer.

Examples:

לַיַחֵדוֹ of לְיַחֵדוֹ

A) Is to give up one's life and not

worship idols

B) Is a מָצוהַ שֶׁבמִחַשָּׁבה

C) Is a מָצוְהָ that must actually be

felt in the physical heart

D) All of the above

In this case, option A is from unit 4, option B is from unit 1, and option C is from unit 2

3. Questions that require you to apply multiple Halachos you've learned, to determine the correct answer.

### Example:

Correct or incorrect: The laws of making an image of the sun are stricter than the laws of making an image of a person.

In this case you have to combine two separate Halachos to come to the answer.

- The first Halacha is that one may not make an image of the sun in three or even in two dimensions
- The second Halacha is that one may not make an image of a person in three dimensions, but one may make an image of a person in two dimensions

By combining the two Halachos, it becomes clear that the laws of making an image of the sun are stricter than the laws of making an image of a person.

Following the chart, it becomes apparent that the correct answer is A.

## Tips for taking your tests & Final

Some Chayolim have a hard time comprehending a question because they are unfamiliar with the style of the questions.

 Correct/Incorrect questions: You may know the correct information, but may have a hard time understanding how to respond to the statement (after all, it's not worded as a question). In such a case, Change a correct/ incorrect statement into a yes/no question.

### Example:

**Correct or Incorrect:** A person who says that there is no G-D is called a min.

Yes or No: If a person says that there is no G-D, is he called a min?

Follow these tips when you use the practice questions and , will help the following tips on how to rephrase or breakdown questions to make them easier to comprehend and answer them correctly.

2. Multiple choice questions: You may know the correct information, but may get confused because each option is a different detail. In such a case, read the question with each option separately, and the child should write by each option if it is correct.

### Example:

A person who says that there is no G-D:

- a. Is called a min
- b. Loses his portion in Olam Haba
- c. Both of the above

Option A: A person who says that there is no G-D is called a min. (Correct)

Option B: A person who says that there is no G-D loses his portion in Olam Haba. (Correct)

Option C: Both of the above (Correct)

So the correct answer is option C. [A person who says that there is no G-D is called a min and loses his portion in Olam Haba.]

3. Questions that compare or contrast different details: Create a chart on paper with a column for each detail being compared/contrasted and a row for each option in the question. Fill out the chart one column at a time, and then compare the results of the two columns by each row.

#### Example:

Both the Mitzvah לידע שיש שם אלוקה and the Mitzvah שלא יעלה במחשבה are:

- a. A מצוה שבמחשבה
- b. A לאו שאין בו מעשה
- c. Both of the above

Create a chart on paper, as follows:

	Mitzvah לידע שיש שם אלוקה	Mitzvah שלא יעלה במחשבה שיש שם אלוקה זולתי ה'	Both Mitzvos
A. Is a שבמחשבה מצוה	Yes	Yes	Yes
B. Is a לאו שאין בו מעשה	No	Yes	No
C. Both of the above	No	Yes	No

CHIDON OVERVIEW

### Test & Final Rules

At your test there will be proctors to monitor, and provide limited help.

- Proctors can not explain Hebrew words and terms.
- If there are Hebrew words with no Nekudos, proctors can read them to you.
- If you ask the proctors a question, they can read the question to you and sometimes that helps as you may have just missed a word or didn't pay attention to the words. But they can not explain Information in the questions. The reason for this is that at times a simple thing they say, can give away the answer.
- If you still have a question, the proctors will remind you to put down your best possible answer on the answer sheet, and elaborate in the comments sheet (which is on the last page of the test). For example, if it asks, "Is a hat considered a garment?" The proctors will tell you, "Write your best answer on the answer sheet, Put a star next to the answer, and write in the comments: If a "hat" is a garment, then I would choose answer X. If a "hat" is not a garment, then I would choose answer Y."

### THE COMMENTS SHEET

Since the Chayolim work very hard, and people think and understand things differently, we feel it unfair that a Chayol who knows the information should lose points because s/he understood the question differently than intended. Therefore, if you feel the need to explain yourself (or that there were no correct answers for a question, or that more than one answer was correct), you can use the comments sheet to explain.

When writing a comment, you should train yourself to write a star next to your answer on the answer sheet, so as to alert the one marking that there is a comment for that question.

#### POINTERS BASED ON THE TEST AND FINAL RULES.

- Read and make sure you know the Chidon overview in the Study Guide
- Make sure you fully understand the study requirements and what you personally need to do to succeed
- You will need to use a your free time for daily study
- Use the calendar provided to split up your learning properly
- Read and make sure you know all the book changes that are in the Study Guide
- Read the book out loud
- Focus on the details in the book
- Ask any questions you have on the information right away, ensuring that you understand the material
- Make sure you are familiar with all Hebrew names and terms mentioned throughout the sections you are required to know (even if those words are not listed in the glossary found in the Study Guide)

- Look for people to constantly test you (beyond what is in the practice questions). The more you get drilled on the information, and from multiple angles, the more you will remember.
- Make sure you fill out, learn, and review the Mitzvah spreadsheet very well
- Look for ways to help you study and remember the information
- Don't hesitate to ask for any help you may need

## MyShliach Classes

Every year MyShliach offers online classes covering Chidon material for Shluchim's children in remote areas. These online classes make it possible for them to join in the International Chidon Sefer Hamitzvos competition. MyShliach opens up these classes to every Chayol.

#### **SCHEDULE**

The classes take place weekly at around 7:30 - 9:00 PM EST accommodating time zones across the USA. The class itself is about an hour. Each grade's class takes place on a different day.

#### **MATERIAL**

Two units are covered during each class. The classes are scheduled to ensure that you finish the material required before the date of each test.

#### **STUDYING**

The class is intended to teach you the essence of each unit. In order for you to master the material, you also need to review units on your own during the week, as well as study additional details that may have been missed out during the class. Every class is recorded, and recordings will be shared with you after registering.

#### REGISTRATION

To register for the online classes, please ask your parents to visit www. thechidon.com/resources/online-classes. Once your parents have entered your information, scheduling and teacher information will be made available to your parents.

LEARNING SCHEDULE

## My Chidon Study Schedule

In the following calendar we have made a daily study schedule for you to follow.

The way the schedule is set up is that you learn all of the units three times. For the first round we gave 19 days, for the second we gave 11 days, and for the third 7 days. In all rounds, the units have been split based on how hard the unit is, more time is given for a harder unit and less for an easier one. The more times you Chazur, the better you will do.

Always feel free to go ahead of the schedule, but do your best not to fall behind.

Write in the calender the units you have learned today. Suggestion: Use a black pen if you are on schedule, a blue pen if you are ahead of schedule & a red one if you are behind.

### TRACK YOUR PROGRESS.

On your Tzivos Hashem parent account, you will see a place to enter which units you learned and how many minutes you spent learning each day.

This will allow you to see your progress and help Headquarters get a better idea of how long Chayolim are learning & need to learn.

## Book Changes

Keep in mind that you are responsible for all changes and clarifications for each Yahadus Unit in your book. Noting the changes in your book may help you keep track of them.

Before reading on, find this page in the beginning of your book. Note the print year.

Remember the print year of your book as you go through the coming pages. The chart will show you which corrections apply to your copy of the book.

### Yahadus Unit 209

Page	What	Detail Changed	Changed To
15	Section titled "8. קנין חצר A Kinyan Through Property," sixth and seventh sentences.	Kinyan chatzer also works if the purchased item is on top of an belonging to the buyer, in any reshus.  When a person stands in a public space, the area within four amos of him is considered "his" space.	Kinyan chatzer also works if the purchased item is on top of an belonging to the buyer, in certain cases.  When a person stands in a public space that is not a halachic reshus harabim, the area within four amos of him is considered "his" space.

### Yahadus Unit 210

Page	What	Detail Changed	Changed To
23	Section titled, "אוֹנָאַת מָמוֹן - Dishonesty with Money"	Paragraph was rewritten	"וְנָאַת תְּמוֹן" – Dishonesty with Money It is forbidden to cheat another person whether you are the seller (by overcharging) or the buyer (by underpaying). Someone who cheats another person violates this lav. If the person cheated is a ger, additional mitzvos were transgressed (see next unit). If the price deviates by 1/6 of the fair price, that money needs to be returned. This amount is called a "חַזּהשִ – a sixth." If the amount being cheated is less than 1/6 of the fair price, the person does not have to return the money. Less than 1/6 is an amount usually forgiven by people. If the amount being cheated is more than 1/6 of the fair price, the sale is no longer binding and the one who was cheated can back out of the sale."

### Yahadus Unit 211

Page	What	Detail Changed	Changed To
32	Last two paragraphs on the page	Paragraphs were rewritten	Since the Torah uses the same word "ona'ah" in reference to both financial (see Unit 210) and verbal abuse, we learn that although they are written as two separate mitzvos, these mitzvos are linked: you may neither cheat nor cause pain to a ger, and doing either of them will cause a person to transgress three mitzvos lo sa'aseh: (1) Financially hurting a Jew. (2) Verbally hurting a Jew. (3) Financially or verbally cheating a ger—depending on the circumstances.

### Yahadus Unit 212

### Yahadus Unit 214

When Shimon demands from Levi that he pay for the damage he caused, Levi claims that <b>Shimon</b> should be obligated to pay, because Levi was acting as his shliach.	For example, Reuven was very angry with Shimon and, therefore, sent his employee, Levi, to damage Shimon's property. There are two exceptions in which the borrower would be exempt from paying. Both exceptions are learned from various pessukim. ### Yahadus Unit 226

Page	What	Detail Changed	Changed To
162	First two paragraphs on the page	ריבית מוּקְדֶתֶּת - Early Ribis, רְיבִית מוּקְדֶתֶּת - Late Ribis:  "Early ribis" means sending the lender a gift before approaching him for a loan. The borrower's intention is that by giving this present <b>he</b> will agree to lend the money. "Late ribis" means sending a gift after the loan was given.  Both of these actions are forbidden, because in both cases the intent was for the lender to gain something from giving the loan, and the <b>lender</b> is giving more than he borrowed. # Mitgros Chart

On the following pages there is a chart with all of the Mitzvos in your book to be filled out and memorized as you learn the units. This is a great way to make sure that you know the Mitzvah boxes really well!

# Suggestions:

- 1. Color code the Mitzvos to help memorize them:
- Mitzvas Asei Green
- Mitzvas Lo Sa'aseh Red
- Mitzvah D'Rabanan Purple

Color code those icons that don't appear frequently, for easy identification and memorization.

Memorize by category. Example: All Mitzvos that apply to Beis Din. ر:

Tip: If you know the amounts, it will help you not miss any.

Have someone test you on the Mitzvos and icons out of order. ω.

To whom does Mitzvas Ahavas Hashem apply?

Where does Mitzvas Ahavas Hager apply?

Note: When filling out the chart, be sure to look at the Yahadus Book corrections—and for those units that have corrections, fill in the corrected information, not what it says in the book!
